IDEAL: Indian Digital Ensemble of Agricultural Libraries:

IDEAL is a ready platform for Agricultural Libraries of Indian National Agricultural Research & Education System (NARES) which enables them to adopt Integrated Library Management System for their day to day operations of all their library functionality. Vast resources spread all over NARES can be made accessible by few clicks. For library users all over NARES, an Online Public Access Catalog (OPAC) of their own library provides easy and enhanced experience of using library online, sitting at their desk either in lab or home. Even while on move they can access their library using smart phone. Integrated catalog of whole NARES (AgriCat) provides access to holdings of other libraries of NARES.

SVVULIS OPAC (Online Public Access Catalogue) :
http://svvu.ideal.egranth.ac.in/

Sri Venkateswara Veterinary University Library & Information System (SVVULIS) OPAC is a combined Union Catalogue of all Libraries of SVVU. Users can access the resources of all libraries of SVVU i.e Books, Journals, Theses etc, so that Faculty, Scientists, and Students are able to know the resources available in their respective College Library and other Libraries of SVVU.

SVVU E-Books:

SVVU has subscribed certain E-books from the reputed publishers like Elsevier, CRCnetBASE etc exclusively for the Users of SVVU. Users can access full text of these E-Books and Down Load. These E-Books are available under A-Z E-books on SVVU E-resources portal.

Useful Links :

Useful links to various important websites, databases, sources etc related to Veterinary/ Animal Husbandry / Fisheries, and Dairy Technology are provided on SVVU E-resources portal. Users can obtain information like Livestock Census, Fisheries Statistics, Plan Documents & Reports, Surveys etc.

Directory of Open Access Journals (DOAJ):
http://www.doaj.org

DOAJ is a community-curated online directory that indexes and provides access to high quality, open access, peer-reviewed journals. DOAJ is independent. All funding is via donations, 50% of which comes from sponsors and 50% from members and publisher members. All DOAJ services are free of charge including being indexed in DOAJ. All data is freely available.

PubMed Central (PMC)
http://www.ncbi.nlm.nih.gov/pmc/

PubMed Central is a free digital archive of biomedical and life sciences journal literature at the U.S. National Institutes of Health (NIH), developed and managed by NIH's National Center for Biotechnology Information (NCBI) in the National Library of Medicine (NLM).
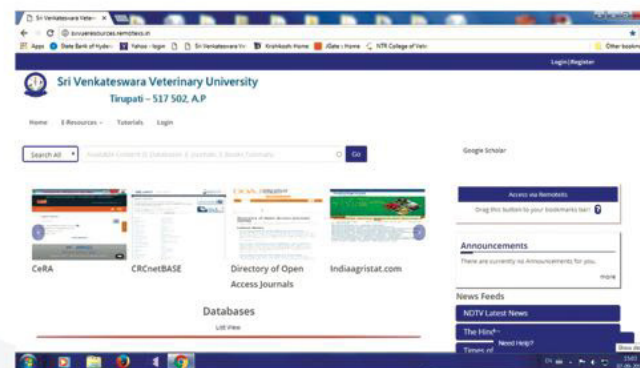

National Digital Library
https://ndl.iitkgp.ac.in/

MHRD under its National Mission on Education through Information and Communication Technology has initiated the National Digital Library.

SVVU E-RESOURCES PORTAL
(http://svvueresources.remotexs.in/)

SVVU E-resources portal is a one stop solution to provide a single window access to the digital & e-resources of SVVU. It provides integrated resource management, automated user management and monitored access to digital content.

LIBRARY & INFORMATION SYSTEM
SRI VENKATESWARA VETERINARY UNIVERSITY
Tirupati – 517502, A.P

SVVU E-RESOURCES PORTAL

Due to the advent of ICT's many information sources are available in the form of e-resources like E-Journals, E-Books, E-Databases, E-Courses etc. ICAR is subscribing various e-resources for ICAR Institutes & SAU's and providing access through 'Consortium for e-resources in Agriculture (CeRA)' portal. In addition to that SVVU is also subscribing certain e-journals, e-books and e-databases. Due to the lack of static IP facility at certain Colleges, Research Stations, Polytechnics, KVK's of SVVU, most of these e-resources are not accessible to our Faculty, Scientists and Students. To overcome this problem remote login software called 'Remotexs.in' has been acquired and separate portal for SVVU has been developed. All the staff and students of SVVU can access these e-resources by login through User Name and Password on **http://svvueresources.remotexs**.in portal provided they have net connectivity.

Procedure for obtaining User Name and Password:

For accessing e-resources on http://svvueresources.remotexs.in portal, User Name and Password is essential for each individual. The individual's e-mail ID will be User Name and password has to be created by the individual himself after getting activation mail from the administrator.

Procedure for University Staff:

For all the University officers, Faculty, Scientists and other staff, mail ID's and other details are taken from the SVVU dairy & SVVU website and activation mail has been sent to their respective mail ID's. After getting the activation mail, individual has to open the link provided in the activation mail and create his/her own password and save. Subsequently they can access the portal by using their User Name (E-mail address) & Password created by them.

Procedure for Students:

All U.G, P.G and PhD students are required to submit their e-mail ID and other details in the prescribed form available at their local College Library. After verification, the details will be sent to the administrator through e-mail by the College Librarian. The administrator will up load all details and send the activation mail to the respective student and student has to open the link provided in the activation mail and create his/her own password and save.

For any assistance contact the Administrator: Dr. K.S.R.Vithal, Professor (Library & Information Science), N.T.R College of Veterinary Science, Gannavarm-521102 E-mail: svvulib@gmail.com, Ph: 08676-254942; M - 9441480865; 7680804192

With best wishes
Prof (Dr) K Sarjan Rao
Dean of Student Affairs, SVVU, Tirupati – 517502

E-Resources available through SVVU E-resources portal

CeRA (Consortium for e-Resources in Agriculture) :

CeRA was established by ICAR in November, 2007 for facilitating accessibility of Scientific journals, E-Books, E-Databases to all Faculty/Scientists/Researchers / Students in the National Agricultural Research System (NARS) by providing access to information specially access to journals, books, statistics etc online which is crucial for having excellence in research and teaching. The following E-Resources are available through CeRA consortium.

E-Journals:

Total 3,964 e-journals from 15 publishers related to Agriculture, Veterinary, Fisheries and Dairy Science/Technology are available through CeRA.

E-Books :

CeRA has subscribed 1174 e-books along with 17 e-book series of Elsevier related to Agriculture, Veterinary, Fishery Science and Dairy Science/Technology and these E-Books are accessible through Sciencedirect.com

Indiaagristat.com :

CeRA is providing access to on-line statistical database Indiaagristat.com. It is a gateway to comprehensive and authentic socio-economic information related to Agriculture & Allied sectors of Indian Economy. All statistics related to Veterinary/Animal Husbandry, Fisheries, Dairy Science/Technology are available through this database.

Wiley Online Library :

CeRA is providing access to 85 Wiley Journals via Wiley Online library, out of these 31 journals are related to Veterinary & Animal Sciences.

Krishikosh (An Institutional Repository of National Agriculture System):
http://krishikosh.egranth.ac.in/handle/1/85173

Krishikosh - is a digital repository of accumulated knowledge in agriculture and allied sciences, having collection of old and valuable books, old journals, thesis, research articles, popular articles, monographs, catalogues, conference proceedings, success stories, case studies, annual reports, newsletters, pamphlets, brochures, bulletins and other grey literatures spread all over the country in different ICAR Research Institutions and State Agricultural Universities (SAUs).

Digital repository of SVVU has been created in krishikosh and publications of SVVU like Theses, Conference Proceedings, Reports, and other Institutional Publications are uploading regularly. So far 980 P.G & Ph.D theses of SVVU are uploaded.

AGRIS: International Information System for Agriculture Science and Technology:
http://agris.fao.org/

AGRIS facilitates access to publications, journal articles, monographs, book chapters, and grey literature - including unpublished science and technical reports, theses, dissertations and conference papers. It offers more than 8.9 million links to information produced by more than 350 data providers (which include research centres, development programs, international and national organizations) from more than 140 countries. More than 1.8 million AGRIS records lead the user to the full-text access of the record on the web.
