

How to use eBooks on ScienceDirect

Open ScienceDirect

Go to the address: <http://www.sciencedirect.com/> from your browser.

To access the list of books purchased by CERA

1. On the home page top right, click on 'Books' link. List of books will show.
2. On the right side, click on 'All access types' and select 'Full-text access'. List of books will show in which CERA has complete access. Green boxes will appear on the right side of each book which means full-text access. Grey boxes are for Abstract only view access and Orange boxes are for Open-access titles.
3. You can also click on the top right side of the page for downloading the 'Electronic Holdings Reports'. Download this report in Excel format for easy access. This report gives a complete view of all the purchased Book and Journal titles with various additional information.

Searching Books on ScienceDirect

Type title of the book on the search bar which reflects 'Journal or book title'.

Book titles will appear automatically similar to searching on Google.

You can search using Keywords, Author names, Book titles or ISBNs under 'Advanced search' link.

Reading Books on ScienceDirect

1. Click on link of the searched book title to open the book.
2. On the book page click on the chapter links to open the chapters for reading.
3. On left side of the opened Chapter reading pane, you can toggle between Chapter contents and Book contents. You can also click on the images, figures below to read or download that section of the chapter.
4. On the right side of the Chapter reading pane, you will find links to the recommended book chapters or journal articles which is related to the current chapter you are reading.

Downloading Books from ScienceDirect

1. Click on a book link to open the book.
2. Under Table of Contents click on 'Download PDFs' link. A dialog box will pop up. Click on the Download button at the right bottom of the dialog box to download all chapters of the book.
3. You can also select the small square boxes in front of all the chapters and click on the Download PDFs button on the top to download the selected chapters only.
4. You can also download the chapter while reading. Click on the 'Download PDF' link on top of the chapter reading page.
5. To export the chapter on Mendeley click on the 'Export' button on top of the page and click on 'Save to Mendeley' button to add the chapter you are currently reading in your Mendeley account.
