WAY FORWARD/ SUSTAINABLE APPROACHES

It gives me immense pleasure to inform that SVVU institutes are working to improve farmer's income by organizing several skill development trainings, awareness programs, input supply of backyard poultry, Hands-On training in value addition of animal produce and mushroom production using ICAR SC-Sub Plan funds.

Dr. J. V. Ramana
Vice-Chancellor, I/c
Sri Venkateswara Veterinary University
Tirupati

The University's colleges, Research Stations, Extension institutions (KVK, CCVEC), and SLDL have organized several training

programmes to help farmers, self-help groups, rural youth and field veterinarians to improve their skills and knowledge in the field of veterinary and dairy science.

I congratulate the Department of Livestock Products & Technology, College of Veterinary Science, Proddatur for acquiring an FSSAI License for processing Dairy products and analogues (excluding food products), meat and meat products (including poultry), and eggs and eggs products.

I am grateful to the NSS Units of the University for their active participation and organization of different programs such as World Veterinary Day, World Environment Day, International Yoga Day, and International Drug Abuse Day. The staff and students of the university participated in socio-cultural activities by celebrating events such as Mahatma Jyothi Rao Phule Jayanti, Bharath Ratna Dr. B.R. Ambedkar Jayanti, etc.

I appreciate the placement cells at SVVU institutes for educating students about national and international career opportunities in the private sector.

I applaud the staff of Livestock Research Station, Lam, Guntur for their continuous efforts to promote embryo transfer technology for high-yielding indigenous cattle propagation at the farmer's level.

I thank the faculty, non-teaching staff and students for their collaborative and significant efforts in uplifting the positive image of the University.

JVRamana
Dr. J. V. Ramana
Vice - Chancellor, I/c
