SRI VENKATESWARA VETERINARY UNIVERSITY, TIRUPATI

From the Desk of Hon'ble Vice-Chancellor

WAY FORWARD/ SUSTAINABLE APPROACHES

I am pleased to present the latest edition of our University's newsletter. As an institution committed to excellence in veterinary education, research, and service to society, we are happy to share the strides we continue to make in advancing animal health, welfare and husbandry.

I appreciate various extension activities such as workshops, several trainings, awareness programmes and field diagnostic visits conducted by University's Colleges, Research Stations, Extension institutions (KVK, CCVEC) and SLDL

for the benefit of farmers, SHGs and rural youth. In this context, I also appreciate the efforts of the CCVEC in organizing ICAR - NAARM sponsored training programmes under SC-SP as well as veterinary colleges for conducting trainings under SC-SP to help youth in developing as entrepreneurs.

I congratulate the Co-ordinator and staff of CCVEC for receiving the "Best Collaborating Institute Award 2023-24" for its outstanding performance and significant impact in the implementation of National Initiatives (ICAR-NAARM-sponsored training programs) at ICAR-NAARM, Hyderabad.

I applaud the activities taken up by the University colleges in celebrating Zoonosis Day creating awareness against the spread of zoonotic diseases as well as celebrating important days like Independence Day, Telugu Language Day, National Sports Day, World Environmental Day, World First Aid Day, NSS Day to develop unity and patriotism among students.

It gives me immense pleasure to observe NCC and NSS Units of the University successfully conducting campaigns like Ek Ped Maa ke Naam, Swachhata hi Sewa, Har Ghar Tiranga, social services like blood donation camps, plantation drives and Kargil diwas.

I congratulate all the faculty members who received awards during the period under report for their contributions to veterinary and dairy sciences.

I am grateful for the efforts and contributions of all the university officers, faculty, non-teaching staff and students to the University's progress over the reporting period.
